

October 18: God's kind of dominance

Bible passage: Psalm 78

Memory Verse: But he led his own people like a flock of sheep, guiding them safely through the wilderness. Psalm 78:52 (NLT)

Numerous examples about men and women who have connected with God to gain power to control and up turn people, things and circumstances who stand in their way of accomplishing their dreams.

They have also connected God in various ways: by directly crying to God by connecting God through his ministers and others through Godly associations.. the most important thing is GET CONNECTED to the TRUE God.

It's time to review what you have learnt and draw up your own PERSONAL ACTION PLAN to CONNECT GOD.
