Continuous
flow of grace

The beauty of Grace is that once one learns its ways, it flows without cease.

The continuous flow of grace is meant to move us from one level to the next. Man operating in grace is ordained to flourish like the palm tree... never ending grace.

Continuous flow of grace

Last week, we identified the killers of Grace ([click here to view article](#)) as a lack of self awareness and an incorrect view of labor/delayed gratification.

The beauty of Grace is that once one learns its ways, it flows without cease.

The continuous flow of grace is meant to move us from one level to the next. Man operating in grace is ordained to flourish like the palm tree... never ending grace. We would focus on the evidences of grace on a man in the coming weeks , but now let's highlight some ways to sustain the

The most obvious way to generate the continuous flow of grace is to abide in its atmosphere... the presence of the Lord.

He that dwells in the secret place of the most High shall abide under the shadow of the Almighty.

Psalm 91:1 KJV

Trust (rely on and have confidence) in the Lord and do good; Dwell in the Land and feed (securely) on His faithfulness. Delight yourself in the Lord, and He will give you the desires and petitions of your heart.

Psalm 37:3 -4 AMP

The steps of a (good and righteous) man are directed and established by the Lord, and He delights in his way (and blesses his path). When he falls, he will not be hurled down, because the Lord is the one who holds his hand and sustains him. I have young and now I am old, yet I have not seen the righteous (those in right standing with God) abandoned or his descendants pleading for bread.

Psalm 37: 23-25 AMP

Let's recount quickly how we get into God's presence in the first place.

We are not born into it as we are all unfortunately born into sin by virtue of being human. However; Life is lived by choice, we all must make the choice to come into God's presence by starting a relationship with Him. The nature of relationships requires a commitment and continuity. In the same way, a clear commitment to engage with God faithfully throughout our lives keeps us in His presence and under the continuous flow of grace.

Let me caution here, that as opposed to human relationships, God cannot be deceived nor used...the Bible calls it mockery. The relationship with God demands absolute transparency and loyalty and consistently too!!

While the God of Grace demands holiness and transparency, He is not unaware of human frailty which means that against all our best intentions and efforts, we sometimes fail. God tests the heart: the intention and the effort to do right and the willingness and

promptness in confessing our wrong when we do fail, becomes the parameter with which He judges man!! Where this is in place, the continuous flow of grace is unbroken. Disobedience and stubbornness to these principles are unacceptable to Him.

In conclusion, it must be obvious now that sustaining the continuous flow of

Grace

requires discipline.

Does any good thing comes without diligence and focus? With Grace, the burden man bears is willingness, the ability to soar is given and supplied by God. The continuous flow of grace is the only guarantee of sustainable success with no negatives attached.
